

The **PHILIPPINE ENGINEERING JOURNAL** serves as a national medium of exchange of technical information and dissemination of engineering knowledge through the publication of technical papers, technical notes, and research briefs. Published by the U.P. Engineering Research and Development Foundation, Inc. for the National Engineering Center, the PHILIPPINE ENGINEERING JOURNAL is being distributed at reasonable rates to various government agencies, private industrial concerns, engineering schools, professional organizations, international entities and practitioners in the field of engineering.

ISSN 0117 5564

PROF. FERDINAND G. MANEGDEG

*Executive Director
National Engineering Center*

Rinlee Butch Cervera, Ph.D.
Editor-in-Chief

EDITORIAL BOARD

Dr. Marjorie Baynosa
Dr. Ariel Blanco
Dr. Gerald Jo Denoga
Dr. Leslie Joy Diaz
Dr. John Richard Hizon
Dr. Iris Ann Martinez
Dr. Prospero Naval
Dr. Edwin Quiros
Dr. Analiza Rollon
Dr. Karl N. Vergel

Arlene De Ocampo
*Head, Engineering Information Division
National Engineering Center*

Patricia Estopace
